- Item No# ENT- MB-001
- Item No# ENT- MB-002
- Item No# ENT- MB-003
- Item No# ENT- MB-004

DESCRIPTION

This easy-to-position shielding system while protecting the personnel.

The Mobile Barrier has a large shatter-resistant lead-plastic window which blocks nearly 90% of Tc-99m emissions.

Epsilon has a variety different size. Heavy-duty, easy-glide casters allow the user to position in seconds.
